I hope you will receive this email while you are in a good health and high spirit.

Dear the Honourable Peter MacKay

My name is Mohamed Abdurahman Yussuf and I am Ethiopian Canadian citizen .I am the resident of Toronto, Ontario, Canada .I have married in August/09/2007 here at Toronto, Ontario, Canada and I have four children here at Toronto, Ontario, Canada and I thanks to Almighty God. I arrived to Canada on February/25/1992; the Canadian government sponsored me as refugee from Italy, Under the United Nations High Commissioner for Refugees (UNHCR) Law.

On February/1993, I have had joined with Canadian Forces in a good faith. During my Canadian military training on May/04/1993, I was mentally breakdown and since October/1993 to October/2004, I spent my adulthood life in a psychiatric hospital here at Ontario, Canada.

Dear the Honourable Peter MacKay

For your information that I Mohamed Yussuf never ever used alcohol and Drugs and all of this information you can find out my medical records in Ontario hospitals. Please find attached scanned copy of my medical drugs test reports.

Dear the Honourable Peter MacKay

for your information Since July/1994 to present time the Ontario white police, Ontario Italian, Canadian Vatican church and some Ontario white people against me, As result of that, they put me economic sanctions here at Ontario, Canada, for that reason I cannot find a work here at Ontario, Canada. The Ontario Italian, some Ontario white people, Canadian Vatican Church and Ontario white police against the rights that are guided by the Canadian charter of rights. The Ontario democratic justice system is broken.

Dear the Honourable Peter MacKay

For your information on January/28/2010, I was the first mental illness African Canadian filed United States of America asylum against the white Ontario police; I have filed my asylum here at California State. Please Dear the Honourable Peter MacKay      Read my United States of America asylum and here is my United States of America asylum number: USCIS A#A077733208.

Dear the Honourable Peter MacKay

Please read here my psychotic journey story way back to January/1994 here at Jewish Canadian community in Ontario, Canada.

On January/1994 ,while I was under a medical psychiatric Doctor care that I lost my mental conscious and I escaped the reality due to mental delusion impaired illness, Medically scientifically those who suffering from schizophrenia in within six months will suffering reality escaping due to psychotic impaired attacked continued and on middle of January/1994, I have had suffered from impaired delusion psychoses I claimed I was

under 12 years old and I asked the Toronto immigration refugee centre here at Yonge st and Dundas in Toronto, Ontario, Canada for help, the Toronto immigration refugee centre Have asked me where are you from and I told them I came from Africa right now and my name is Malik Joseph Hebrews and I am Jewish Africa and I am 12 years old, I was born in March/1982 and I do not have place to live, in reality my face look like twenty or twenty two years old because I have had just left from the Canadian Army forces here at Ontario, Canada, in that case the 12 years old that I told Toronto immigration refugee centre does not make sense . in any way the Toronto immigration refugee centre called the Jewish Canadian community centre here at Toronto, Ontario and after one hours later the Jewish Canadian community social worker came to the Toronto immigration refugee centre .the Jewish Canadian community social worker asked me how old Am I? I have told them that I am 12 years old and I was born in March/1982.few minutes later the Jewish Canadian centre social worker said indeed you are 12 years old I will provided you place to live then the Jewish Canadian community social worker took me to the Jewish Canadian community centre here at Toronto, Ontario, Canada. Then next month I believe it was February /1994 the Jewish Canadian community centre social worker his name is Mr. Ian Wine, The Jewish Canadian community Social worker took me to the Ontario Court here at 60 Queen st West (Old City Hall) in Toronto,Ontario,canada.the Ontario court Judge and the Jewish Canadian community social worker they could not agreed my abandoned case because the Ontario court judge disagreed that I am a 12 years old because the Ontario court judge saw my face unfortunately the Ontario court judge could not help me to ordered me to have a mental health assessment evaluation because all the story which the Jewish Canadian community social worker told Ontario court judge does not make sense. Unfortunately the Jewish Canadian community social worker and I left the Ontario court without any help. The Jewish Canadian community social worker informed that the Ontario court judge could not believe that you are 12 year old. On February/1994, the Canadian Jewish community they enrolled me elementary school here at Toronto District School Board in the Great Toronto Area, Ontario, Canada,where they put me grade 8 in the elementary school, unfortunately the Elementary school principal was in stage of confusion because I don't look like 12 years old, in the behind closed door there was disagreement between the elementary school principal and the Jewish Canadian community. Unfortunately the Jewish Canadian community took me to Dentist doctor here at Finch ave west and Bathurst in Toronto, Ontario, the Dentist Doctor did teeth examinations on me after he finish the examination the dentist Doctor told me that you are not 12 years old and you are 22 years old because I can tell your teeth. Fortunately The Dentist

doctor declared that I am not 12 years old.

The Jewish Canadian community took me to lawyer to file my Canadian asylum and the lawyer he invited African woman interpreter. The lawyer saw my face but the lawyer was not helpful. The Lawyer has been filed Asylum on behave of myself here at Ontario, Canada. The Jewish Canadian community took me pediatrician medical doctor here at St.Clair and Yonge Street in Toronto, Ontario, Canada, the pediatrician Medical Doctor did a physical examination on me and the pediatrician Medical Doctor said you are not 12 years old .the pediatrician Medical Doctor gave me injection into my upper arm. During January/1994 to May /1994 I don't know what is going on and also I don't know what is Right and what is wrong due to impaired psychotic stage.

In may 1994 my delusion impaired disorder was little bit improved then I have left the Jewish Canadian community and I have moved the capital city of Canada here at Ottawa, Ontario and I used my real name Mohamed Abdurahman Yussuf.in September/1994, I was hospitalized psychiatric unit in the Ottawa civic hospital here at Ottawa, Ontario, Canada. Since then no Ontario police contacted me regarding this matter but unfortunately I have suffered due to this matter in hardship way in here at Ontario white community here at Ontario, Canada.

The Dentist Doctor saw my teeth and he could not help me? The pediatrician medical doctor did physical examination on me and he saw my face and he could not help me? The Immigration lawyer saw my face he could not help me. So all of these professionals group no one suggested to put me medical psychiatric evaluation, therefore, they did not do their job according to the law. The reason all of these it happened to me was due to delusion impaired attack. June/1994, after I have left from Jewish Canadian community centre. On August /1994, here at Toronto, Ontario, I have had told my family Doctor O'Hara that I was confused and told the Jewish Canadian community that I am 12 years old and the my Family Medical Doctor O'Hara said your face telling that you are not 12 years old, how they believe you; that reason they provided you place to live and My family Doctor O'Hara still is working as a family Doctor same location here at Toronto, Ontario, Canada. Dear the Honourable Peter MacKay that is what happened to me my psychotic journey way back to January/1994 here at Jewish

Canadian community, Toronto, Ontario, Canada.

Dear the Honourable Peter MacKay

Now you can see your own eyes that everyone (Medical Doctor, Dentist, Social worker, elementary School principal, Lawyer) in a stage impaired judgment.

Then Canadian Embassy in Havana, in Cuba escorted me from Cuba to Toronto, Ontario, Canada. Now, everything is clear that Cuban government witnessed my mental illness.
